

## *Monthly Safety Meeting Teleconference:*

Please call in to the AMLJIA Monthly Safety Teleconference toll-free! It's as simple as following these instructions:

1. Check the Safety Meeting Calendar on the following page for meeting times and topics to be discussed. (Topics may change without notice.)
2. Dial Toll Free 877-242-6716 at five minutes before the meeting time specified on the calendar.
3. When prompted, enter the four digit pin 5421 and you're connected! (As a courtesy to others, please mute your phone except when you are talking.)

This free monthly safety meeting teleconference allows you to participate in an open forum format. This is a good time to get answers to questions, share ideas about any topic, and network. Please don't hesitate to speak up!

Notes from each meeting should be distributed to your administrator. Safety reports should be incorporated into school board and city council meeting agendas to help raise awareness and gain support.
